Stars of The Week

Safe in The Sun

Due to the possibility of some good weather occurring during the summer months, we would please appreciate it if you could support school with the following requests:-

Apply sun cream prior to coming to school.

Provide your child with a cap as a form of shade from the sun. This is particularly important for the younger children. Please ensure that your child's name is written in the hat/cap and in their top/cardigan.

Royal Wedding Picnic Lunch

To celebrate the royal wedding we will be having a picnic lunch in school on Friday 18th May.

Letters have been sent home to those children who usually bring a packed lunch from home to give them the option of having a school packed lunch on the day.

Mrs George and her team will be serving sandwiches, quiche, crisps, a trio of cakes and a drink.

Parking - Keep Our Children Safe!

Please could we remind parents and carers to ensure you park respectfully outside school. Parking on the kerbs and in front of the school gates creates a hazard to our children. The local police will be continuing to monitor the parking and will be carrying out spot checks.

Water Bottles

Now that the weather is getting warmer it is important that your child has a water bottle in school to stay hydrated. They are available from the office for £1.50
