### School Trips

We will be sending out letters for our various school trips in the coming weeks so please keep an eye out for them in your child's school bag!

All the information about the trips and the consent forms will be included in these letters.

School trips should be viewed as a positive teaching tool that help enhance the social, personal and emotional development of all learners. Hands-on learning activities outside the classroom lead to better achievement, standards, motivation, personal development and behaviour. Children and young people are able to **enjoy and achieve** in new engaging ways.

Please could you help us by returning all required consent forms and payment before the deadlines stated in the letters. Thank you.

### Mister Shapeshifter

The GW Theatre Company performed Mr Shapeshifter in school on Tuesday for our Y5 and Y6 children. The play is aimed at Y5 and Y6 children. Its purpose is to entertain, inform and safeguard children against risk and danger in real life and online and to provide a catalyst for further work by teachers and other adults with the children who see it.

### Kingswood Residential

Just a reminder that the deposits for the Year 5 Kingswood Residential Trip are due on the 7th February.

### Young Voices

Well done to all of our Year 5 and 6 children who took part in the Young Voices concert on Monday!

The performance was fantastic and everyone behaved really well—you were a credit to our school. Thank you to all the parents and carers for collecting the children from Manchester after the performance we value your support.

### Rochdale 5 Aside Tournament

Well done to our football teams who competed in the Rochdale 5 aside tournament last week. You all played really well—Team A came second in their group and Team B came fourth in theirs.
