Dear parent/ carer

Raising achievement by involving parents and carers in the work of our school

Involving parents in their child's education is an exciting challenge, with excellent benefits for the child, the parents and carers, the school and the local community.

Amazingly research identifies at **age 7**, a parent's influence on a child's learning is **6 times** that of their school and even at **11 years old**, it is **29%** greater. Increased involvement can raise achievement by at least **18%**. No involvement means low or no qualifications at **16**.

We are hoping to renew our Leading Parent Partnership Award (LPPA) this a year to help strengthen our school's partnership with parents. It is a national award that will provide us with a valuable school improvement tool and also give us recognition for our commitment to working with parents.

The LPPA will help us achieve these long term benefits:

- Contribute to improved pupil attendance, punctuality, behaviour and progress
- Increase parent participation and involvement
- Enhance parents' support in their children's learning
- Improved home school communications

As parent of this incentive we are offering a range of parent courses over the coming months. **A Living Well "Stress and relaxation" course is available to parents on Wednesday 8th February at 1.30pm.** Please express your interest at the main school office if you would like to attend as places will be limited.

Yours sincerely,
Mrs M Wheeldon
LPPA Co-ordinator
