### "Parent's Voice"

The start of the year is very informal. This allows the children time to settle into school and for us to get to know each other.

We would like to invite you into the Foundation Unit at the beginning of each day to help your child self register and settle your child at an activity.

This invitation is also extended at the end of each day, so you may collect your child's work or important letters from their tray, talk to the members of staff, look round at displays or share your child's "All About Me" book with them.

### Recycling

Please help us by bringing in all your used cartons, boxes, newspapers, egg boxes, yoghurt pots etc. for our workshop area.

Our children will then make them into wondrous creations which they will proudly bring back home to you! Please ensure all recycled material has been thoroughly washed.

Don't forget to check out what's happening in school at our school web site:

### Reception Children: "Super Readers"

Each reception child will bring home books to share (not to read at first) with you. Please sign the reading diary and return to school every day in your child's school bag. There will be certificates issued to "Super Readers", who read and change their books regularly! (More info regarding this will be given at the meeting on 25th Sept.)
