Deputy Headteacher – Mrs S Barton Cert Ed

Dear parent/ carer

Raising achievement by involving parents and carers in the work of our school

Involving parents in their child's education is an exciting challenge, with excellent benefits for the child, the parents and carers, the school and the local community.

Amazingly research identifies at **age 7**, a parent's influence on a child's learning is **6 times** that of their school and even at **11 years old**, it is **29%** greater. Increased involvement can raise achievement by at least **18%**. No involvement means low or no qualifications at **16**.

We are using the Leading Parent Partnership Award (LPPA) to help strengthen our school's partnership with parents. It is a national award that will provide us with a valuable school improvement tool and also give us recognition for our commitment to working with parents.

The LPPA will help us achieve these long term benefits:

- Contribute to improved pupil attendance, punctuality, behaviour and progress
- Increase parent participation and involvement
- Enhance parents' support in their children's learning
- Improved home school communications

We would appreciate it if you could complete the attached questionnaire and return it to school as soon as possible.

Yours sincerely,

Mrs M Wheeldon
LPPA Co-ordinator
