

In School

This half Term:

- Our topic is "winter wonderland". We will be learning about the weather in winter, cold places and using cold colours in our art work.
- In literacy we will be continuing to practise reading and writing words and simple sentences. We will be looking at writing for a variety of purposes.
- In numeracy we will focus on counting objects and arrangements and accurately writing numbers 1- 20. We will also be using mathematical language to describe the weight and height of objects and we will learn how to order and compare things according to their size.

At Home

Mathematics

- Finding numbers round my home.
- Helping me count up to 20 and remember what numbers 1 -20 look like.

Spiritual & Moral

- Talking about being kind to others & looking after others.

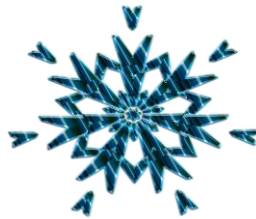

- Encouraging me to get dressed and fasten and unfasten my clothes on my own.

Communication Language & literacy

- Sharing story books and helping me to read my reading book.
- Helping me recognise sounds and words within books & magazines.

Topic: Winter Wonderland
