All Saints' Church of England Primary School—DT Knowledge Organiser

Year 1	Structures	Design and Technology

Vocabulary

Cut	To slice or open with a sharp tool such as scissors
Fold	To lay one part over another e.g. fold a letter
Join	How materials are put together. You could join in different ways such as glue, sew, tape
Fix	To make something stable, to attach
Weak	Will easily break or fall over
Strong	Won't break easily.

You will use a range of construction resources to make 3D models.
