

## Earthquakes & Volcanoes Year 4 Homework Project

Children should complete all tasks 1-4 and task 5 is optional.  
Homework should be handed in by Monday 18<sup>th</sup> May.

### 1. What to do in an Earthquake!

Make an information poster about earthquakes.

### 2. Dangerous Work!

Find out about different kinds of jobs or work that people do linked to volcanoes or earthquakes. Write a list and a definition of what work they do for each one. Would you like to do any of the jobs you find out about when you grow up? Tell me the reasons why or why not.

### 3. Read all about it!

Research and write a newspaper report on a volcano that is currently active in the world. Give your report a headline then write about which country is it in? How do the local people live and how are they affected by the volcano? Can you find out how the volcano effects the landscape? Add an illustration or photograph.

### 4. Our Amazing Earth!

Draw a cross section of the earth to show how it is made up of different layers.

\*\*\*\*\*

### 5. Extreme & Weird!

What extreme facts can you find out about Earth and natural disasters? What are the weirdest facts? Most unusual?
