Autumn 2 Spellings

Please practise these spellings however you would like to at home.

In class we use 'fred talk' to help spell green words where the word is broken down into sounds e.g. chip is sounded as s-t-ay.

The red words cannot be 'fred' so please just help your child to learn them as best as they can.

Please help your child with letter formation and practise these at home as much as possible ready for the spelling test on Friday
